Practicing safe gun storage protects our kids, prevents accidents, and keeps our guns out of the hands of criminals. Together, we can KEEP ‘EM SAFE, TEXAS!
Safe gun storage is the duty of EVERY gun owner.

Gun safety isn’t just knowing how to handle a gun properly—it’s also about keeping it from getting into the wrong hands. Whether you keep a gun in your car, home, or somewhere else, safely storing it 24/7 is a must.

SAFE GUN STORAGE CHECKLIST

Are you practicing safe gun storage? Make sure you can check ALL the boxes in our checklist.

- Firearms are stored unloaded and locked using a safe gun storage device.
- Ammunition is safely stored.
- Access to stored firearms is restricted from unauthorized persons (family, friends, children, contractors, repair personnel or uninvited persons) at all times – 24 hours a day, seven days a week, no matter where the firearm is located.
- All locking devices that use keys are in a place children and other unauthorized users are unaware of.
- I have read and understood the laws around my responsibility and liability, as the owner of the gun, should it be used by an unauthorized person such as a child.
- I have spoken to family members and trusted users asking them to use these safe storage steps. (Consider keeping this checklist near where you store your guns!)
- When my firearm is taken outside of my home (e.g., in a car), it must still be stored safely.
- Safe storage of firearms is practiced at all times.

TALKING TO OTHERS ABOUT SAFE GUN STORAGE

TALKING TO KIDS

Children are curious and will have questions about guns. Whether there is a firearm in your home or not, it is important to talk to your child about the rules of gun safety. They should know how to act if they see a gun and you’re not around.

Choose a time and place where they won’t be distracted to have the conversation. Consider their age when you are talking to your child about gun safety. Ask them what they already know, and encourage them to ask questions. And talk to them again to make sure they remember!
